To: 1001-920-37-3122
RFP for: Wide Area Network (WAN) Services

The following questions have been asked:

Question 1: For which locations are you looking at Gig E services?

Answer 1: We are not currently looking at Gig E services for any locations; however, we would like to get pricing information for possible future use.

Question 2: There are some general terms and conditions that we would want to modify if we are awarded the contract. How do we address this in our response?

Answer 2: Provide a list of the sections you want to modify and your proposed modifications along with your fee sheet in the sealed envelope. If your firm is selected SAHA will negotiate these items in good faith but does not guarantee acceptance of any other terms.
