

## ADDENDUM # 2

To: 1001-920-37-3122

RFP for: Wide Area Network (WAN) Services

---

**Please make the following change:**

The closing date and time are changed to 11:00 a.m. December 13, 2010.

The following questions have been asked:

**Question 1:** How much bandwidth is required for each of the sites including the HQ and DR location?

**Answer 1:** The small site requirements are between 512mb up by 5mb down. The larger sites are using 1.5mb up by 7mg down. The central office location requires 25mb symmetrical.

**Question 2:** What is the address for DR site?

**Answer 2:** The DR warehouse location at 1310 S. Brazos and requires 25mb symmetrical and a separate 1gb fiber run between the central office and DR site for real time data transmission.

**Question 3:** Have you considered using SIP over MPLS to reduce overall costs?

**Answer 3:** We are not currently working to convert to SIP protocol.

**Question 4:** Your spreadsheet contains 86 locations, but your RFP also mentions the WAN being 71 locations. Can you explain the discrepancy?

**Answer 4:** We currently have 74 sites serviced total. This number may change based on SAHA business needs.

**Question 5:** We request an extension of two weeks for preparing a response to this RFP is this possible?

**Answer 5:** We will extend the closing.

**Question 6:** Could we receive the forms in Word Format?

**Answer 6:** We only have the forms in PDF format.

**Question 7:** May we convert them so they can be filled out electronically?

**Answer 7:** Refer to Section 5.1 of the RFP for guidance on this matter.
