## **ADDENDUM #2**

**To: 1001-936-37-3123**

**RFP for Installation of Gate Operator at Villa Tranchese**

**Date: March 15, 2010**

---

**Replace section 13.6 with the following:**

- 13.6 Contractor shall install new electric motor: 110 volt, 60Hz, 7 amp, 1 hp, single phase.**

**Replace section 13.15 with the following:**

- 13.15 Contractor shall remove and install two (2) new stand alone scan card readers that will operate two pedestrian metal gates. New scan card readers must be equivalent to existing readers on the building entrance sliding doors.**

**Contractor shall remove and install one new stand alone RF gate operating receiver. The new RF receiver will operate the two vehicular sliding gates.**

**Contractor shall replace 4" steel v-groove vehicular gate wheels with 4" heavy duty steel v-groove sealed bearing gate wheels and align and adjust all top roller vehicular gate guides.**

**Contractor shall remove and install two new Ebelco SS1200-G Stainless Steel 1200 Lb Magnetic Lock (or equivalent) including power supplies on two pedestrian metal gates.**
