INTRODUCTION

The San Antonio Housing Authority (SAHA) is a public housing agency created by resolution of the City of San Antonio in 1938 pursuant to the Texas Housing Authorities Law (now Chapter 392 of the Texas Local Government Code) and federal law. SAHA is a unit of government and its functions are essential governmental functions. The property of SAHA is used for essential public and governmental purposes and is exempt from all taxes, including sales tax on all its purchases of supplies and services.

SAHA enters into and executes contracts and other instruments that are necessary and convenient to the exercise of its powers. SAHA maintains contractual arrangements with United States Department of Housing and Urban Development (HUD) to manage and operate its low rent public housing program and administers the Section 8 Housing Assistance Payments Programs. SAHA programs are federally funded along with development and modernization grants and rental income.

Its primary activity is the ownership and management of over 6,300 public housing units. It also administers rental assistance for almost 12,000 privately owned rental units through the Section 8 program. It operates and manages its housing developments to provide decent, safe, sanitary and affordable housing to low income families, the elderly, and the disabled, and implements various programs designed and funded by HUD.

SAHA has created a number of affiliated public facility corporations (“PFCs”) pursuant to Chapter 303 of the Texas Local Government Code (the Public Facility Corporation Act). In some instances, these PFCs own projects. In other cases, PFCs or other related entities serve as partners in partnerships that have been awarded low-income housing tax credits. SAHA’s affiliated entities own and operate over 3,000 units of affordable housing.

SAHA staff also manages the San Antonio Housing Finance Corporation (“Finance Corporation”), which is primarily a conduit issuer of bonds for developers of affordable housing projects. The Finance Corporation was created pursuant to Chapter 394 of the Texas Local Government Code (the Texas Housing Finance Corporations Act). When used herein, “SAHA” shall include its affiliated entities.

1.2 Prospective Proposers acknowledge by downloading and receiving the RFP documents and/or by submitting a proposal that the submission of a proposal to SAHA is not a right by which to be awarded a contract, but merely is an offer by the prospective Proposer to perform the requirements of the RFP documents in the event SAHA decides to consider to award a contract to that Proposer.

1.3 **Definitions:** Throughout this Request for Proposals and all resulting documents, the terms below shall be defined as follows:

1.3.1 **“Best Value”** means that SAHA will in an evaluation of each proposal submittal, consider factors other than just cost in making the award decision.

1.3.6 **“Day(s)”** unless otherwise specified, shall refer to calendar days.

1.3.7 **“HUD”** is the United States Department of Housing and Urban Development. HUD is the Federal agency from which SAHA receives funding; however, pertaining to this RFP, correspondences, including proposal submittals, received from each Proposer must exhaust all provisions contained herein prior to contacting HUD (i.e. in the case of a protest).

1.3.8 **“Herein”** shall refer to all documents issued pursuant to the noted RFP, including the RFP documents and the attachments.

- 1.3.9** “**President & CEO**” is the SAHA President and Chief Executive Officer and/or Interim President and Chief Executive Officer.

Because the purpose of this conference is to review the RFP documents, attendees should bring a copy of the RFP documents to this conference. **SAHA will not distribute at this conference any copies of the RFP documents.** Questions concerning the contents of the project and procedural aspects of the RFP will be answered at this time; however, the PM may require that some questions be delivered in writing prior to a response. Therefore, so that SAHA can properly evaluate the proposals received, all proposals submitted in response to this RFP must be formatted in accordance with the sequence noted below. Each category must be separated by numbered index dividers and the number on the index divider must extend so that each tab can be located without opening the proposal and labeled with the corresponding tab reference noted below. None of the proposed services may conflict with any requirement SAHA has published herein or has issued by addendum.

Proposers must also provide SAHA with the name, contact information to include address, phone number, email address, core area of business, and years of expertise for each subcontractor and supplier intended to be utilized by the Proposer to perform the services requested in this RFP. All proposals would be evaluated as to their overall value to SAHA.

6.2.3 Restrictions: All persons having familial (including in-laws) and/or employment relationships (past or current) with principals and/or employees of a Proposer will be excluded from participation on SAHA's evaluation panel. Similarly, all persons having ownership interest in and/or

If a pool is established work will be assigned within the pool based upon ratings and availability to respond and expertise.

7.0 Right to Protest:

7.1 Rights: Any prospective or actual Proposer, offeror, or Contractor who is allegedly aggrieved in connection with the solicitation of a proposal or award of a contract, shall have the right to protest. Such right only applies to deviations from laws, rules, regulations, or procedures. Disagreements with the evaluators' judgments as to the number of points scored are not reasons for an appeal. An alleged aggrieved protestant claiming this right is hereby informed that these regulations do not provide for administrative appeal as a matter of right for that alleged aggrieved protestant.

- 7.1.1 An alleged aggrieved “protestant” is a prospective Proposer or Proposer who feels that he/she has been treated inequitably by SAHA and wishes SAHA to correct the alleged inequitable condition or situation. This decision is then appealable to the Board of Commissioners within 30 days of receipt of the written decision. 9.38 Copy Rights/Rights in Data SAHA has unlimited rights to any data, including computer software, developed by the Proposer in the performance of the Contract specifically:

9.38.1 Except as provided elsewhere in this clause, SAHA shall have unlimited rights in data first produced in the performance of this Contract; form, fit, and function data delivered under this Contract; data delivered under this Contract (except for restricted computer software) that constitute manuals or instructional and training material for installation, operation, or routine maintenance and repair of items, components, or processes delivered or furnished for use under this Contract; and all other data delivered under this Contract unless provided otherwise for limited rights data or restricted computer software.

9.38.2 Contractor shall have the right to: use, release to others, reproduce, distribute, or publish any data first produced or specifically used by the Contractor in the performance of this Contract, unless provided otherwise in this contract; protect from unauthorized disclosure and use those data which are limited rights data or restricted computer software to the extent provided in this contract; substantiate use of, add or correct limited rights, restricted rights, or copyright notices

and to take other appropriate action in accordance with this contract; and establish claim to copyright subsisting in data first produced in the performance of this Contract to the extent provided below.

9.38.3 For data first produced in the performance of this Contract, the contractor may establish, without prior approval of the PM, claim to copyright subsisting in scientific or technical articles based on or containing data first produced in the performance of this Contract. The Contractor grants SAHA and others acting on its behalf a paid-up, non-exclusive, irrevocable, worldwide license in such copyrighted data to reproduce, prepare derivative works, distribute copies to the public, and perform or display publicly by or on behalf of SAHA.

9.38.4 The Contractor shall not, without the prior written permission of the CA, incorporate in data delivered under this Contract any data not first produced in the performance of this Contract and which contains copyright notice, unless the Contractor identifies such data and grants SAHA a license of the same scope as identified in the preceding paragraph.

9.38.5 SAHA agrees not to remove any copyright notices placed on data and to include such notices in all reproductions of the data. If any data delivered under this Contract are improperly marked, SAHA may either at its discretion return the data to the Contractor or cancel or ignore the markings.

9.38.6 The Contractor is responsible for obtaining from its subcontractors all data and rights necessary to fulfill the Contractor's obligations under this Contract.

9.38.7 Notwithstanding any provisions to the contrary contained in the Contractor's standard commercial license or lease contract pertaining to any restricted computer software delivered under this Contract, and irrespective of whether any such contract has been proposed prior to the award of this Contract or of the fact that such contract may be affixed to or accompany the restricted computer software upon delivery, the Contractor agrees that SAHA shall have the rights set forth below to use, duplicate, or disclose any restricted computer software delivered under this Contract. The terms and conditions of any resulting contract, including any commercial lease or licensing contract, shall be subject to the following procedures.

9.38.7.1 The restricted computer software delivered under a resulting contract may not be used, reproduced, or

9.39 Additional Information: Each provision of law and each clause, which is required by law to be inserted in this RFP or any contract, shall be deemed to have been inserted herein, and this RFP and any resulting contract shall be read and enforced as though such provision or clause had been physically inserted herein. If, through mistake or otherwise, any such provision is not inserted or is inserted incorrectly, this agreement shall forthwith be physically amended to make such insertion or correction upon the application of either party. The fore-mentioned statutes, regulations and executive orders are not intended as an indication that such statute, regulation or executive order is necessary applicable nor is an omission of such statute, regulation or executive order intended to indicate that it is not applicable.

9.40 Conflicting Conditions: In the even there is a conflict between the documents comprising this RFP and any resulting contracts, the following order of precedence shall govern: (1) the more restrictive terms of either: any and all attached HUD forms and the term/conditions in the body of any resulting contract; (2) the RFP; and (3) Contractor's Response. In the event that a conflict exists between any state statute, or federal law the most restrictive terms shall apply.

- 9.41 Interpretations:** No official oral interpretation can be made to any proposer as to the meaning of any instruction, condition, specifications, drawing (if any), or any other document issued pertaining to this RFP. Every request for an official interpretation shall be made by the prospective proposer, in writing at least seven (7) days prior to the submission deadline. Official interpretations will be issued in the form of addenda, which will be posted on www.saha.org and nahro.economicengine.com; but it shall be the prospective proposer's responsibility to make inquiry as to addenda issued. All such addenda shall become a part of the RFP documents and the proposed contract with the successful proposer and all proposers shall be bound by such addenda, whether or not received by the prospective or successful proposer(s).
- 9.42 Contract Form:** SAHA will not execute a contract on the successful proposer's form. Contracts will only be executed on SAHA's form. By submitting a proposal, the successful proposer agrees to this condition. However, SAHA will consider any contract clauses that the proposer wishes to include therein, but the failure of SAHA to include such clauses does not give the successful proposer the right to refuse to execute SAHA's contract form. It is the responsibility of each prospective proposer to notify SAHA, in writing, with the proposal submittal of any contract clauses that he/she is not willing to include in the final executed contract. SAHA will consider such clauses and determine whether or not to amend the Contract.
- 9.43 Liquidated Damages:** For each day that performance under a resulting contract from this RFP is delayed beyond the time specified for completion, the successful proposer shall be liable for liquidated damages in the amount of \$100.00 per day up to the value of the service or delivery order plus 10% that is the subject of the claim. However, the timeframe for performance may be adjusted at SAHA's discretion in writing and received by the successful proposer prior to default under any resulting contract.
- 9.43.1 Force Majeure:** Neither SAHA nor Contractor shall be held responsible for delays or default caused by fire, flood, riot, acts of God or war where such cause was beyond, respectively, SAHA or Contractor's reasonable control. Contractor shall make all reasonable efforts to remove or eliminate such a cause of delay or default and shall, upon the cessation of the cause, diligently pursue performance of its obligations under this Agreement.
- 9.44 Immigration Reform:** By submitting a proposal Contractor certifies compliance with the Immigration Reform and Control Act of 1986 regarding employment verification and retention of verification forms for any individuals hired on or after November 6, 1986 who will perform any labor or services under any resulting contract.

- 9.45 Most Favored Customer:** The Contractor agrees that if during the term of any resulting contract, the Contractor enters into any agreement with any other governmental customer, or any non-affiliated commercial customer by which it agrees to provide equivalent services at lower prices, or additional services at comparable prices, the resulting Contract will at SAHA's option, be amended to accord equivalent advantage to SAHA.
- 9.46 Lapse in Insurance Coverage:** In the event Contractor fails to maintain insurance as required by a resulting contract, the Contractor shall immediately cure such lapse in insurance coverage at the Contractor's expense, and pay SAHA in full for all costs and expenses incurred by SAHA under this Contract as a result of Contractor's failure to maintain insurance as required, including costs and reasonable attorney's fees relating to SAHA's attempts to cure such lapse in insurance coverage. Such costs and attorney fees, not to exceed fifteen hundred and 00/100 dollars (\$1,500.00), shall be automatically deducted from monies or payments owed to Contractors. Moreover, SAHA shall retain from monies or payments owed to Contractor by SAHA five percent (5%) of the value of the Contract and place this retainage into an account to cover SAHA's potential exposure to liability during the period of such lapse. This retainage shall be held by SAHA until six (6) months after the term of the resulting contract has ended or has otherwise been terminated, cancelled or expired and shall be released if no claims are received or lawsuits filed against SAHA for any matter that should have been covered by the required insurance.
- 9.47 Fair Labor Standards Act:** Both parties hereby agree to comply with the provisions of the Fair Labor Standards Act (29 U.S.C. 201, et seq).
- 9.48 HUD MAINTENANCE WAGE RATE DETERMINATION – FISCAL YEAR – 2009**

Employers under contract to the Housing Authority to provide maintenance work must submit to the Housing Authority their original employment records as described above or agree to retain original employment records for three years or after final payment for services under this contract or until resolution of any dispute subject to section 9.21 of this solicitation.

1. Preparation of Offers

(a) Offerors are expected to examine the statement of work, the proposed contract terms and conditions, and all instructions. Failure to do so will be at the offeror's risk.

(b) Each offeror shall furnish the information required by the solicitation. The offeror shall sign the offer and print or type its name on the cover sheet and each continuation sheet on which it makes an entry. Erasures or other changes must be initialed by the person signing the offer. Offers signed by an agent shall be accompanied by evidence of that agent's authority, unless that evidence has been previously furnished to the HA.

(c) Offers for services other than those specified will not be considered.

2. Submission of Offers

(a) Offers and modifications thereof shall be submitted in sealed envelopes or packages (1) addressed to the office specified in the solicitation, and (2) showing the time specified for receipt, the solicitation number, and the name and address of the offeror.

(b) Telegraphic offers will not be considered unless authorized by the solicitation; however, offers may be modified by written or telegraphic notice.

(c) Facsimile offers, modifications or withdrawals will not be considered unless authorized by the solicitation.

3. Amendments to Solicitations

(a) If this solicitation is amended, then all terms and conditions which are not modified remain unchanged.

(b) Offerors shall acknowledge receipt of any amendments to this solicitation by

- (1) signing and returning the amendment;
- (2) identifying the amendment number and date in the space provided for this purpose on the form for submitting an offer,
- (3) letter or telegram, or
- (4) facsimile, if facsimile offers are authorized in the solicitation. The HA/HUD must receive the acknowledgment by the time specified for receipt of offers.

4. Explanation to Prospective Offerors

Any prospective offeror desiring an explanation or interpretation of the solicitation, statement of work, etc., must request it in writing soon enough to allow a reply to reach all prospective offerors before the submission of their offers. Oral explanations or instructions given before the award of the contract will not be binding. Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

5. Responsibility of Prospective Contractor

(a) The HA shall award a contract only to a responsible prospective contractor who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must -

- (1) Have adequate financial resources to perform the contract, or the ability to obtain them;

- (2) Have a satisfactory performance record;
- (3) Have a satisfactory record of integrity and business ethics;
- (4) Have a satisfactory record of compliance with public policy (e.g., Equal Employment Opportunity); and
- (5) Not have been suspended, debarred, or otherwise determined to be ineligible for award of contracts by the Department of Housing and Urban Development or any other agency of the U.S. Government. Current lists of ineligible contractors are available for inspection at the HA/HUD.

(b) Before an offer is considered for award, the offeror may be requested by the HA to submit a statement or other documentation regarding any of the foregoing requirements. Failure by the offeror to provide such additional information may render the offeror ineligible for award.

6. Late Submissions, Modifications, and Withdrawal of Offers

(a) Any offer received at the place designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and it -

- (1) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);
- (2) Was sent by mail, or if authorized by the solicitation, was sent by telegram or via facsimile, and it is determined by the HA/ HUD that the late receipt was due solely to mishandling by the HA/ HUD after receipt at the HA;
- (3) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of proposals. The term "working days" excludes weekends and U.S. Federal holidays; or
- (4) Is the only offer received.

(b) Any modification of an offer, except a modification resulting from the HA's request for "best and final" offer (if this solicitation is a request for proposals), is subject to the same conditions as in subparagraphs (a)(1), (2), and (3) of this provision.

(c) A modification resulting from the HA's request for "best and final" offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by the HA after receipt at the HA.

(d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.

(e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.

(f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

(h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by a offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an invitation for bids, bids may be withdrawn at any time prior to bid opening.

7. Contract Award

(a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The HA may

- (1) reject any or all offers if such action is in the HA's interest,
- (2) accept other than the lowest offer,
- (3) waive informalities and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

(d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

(e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

8. Service of Protest

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

9. Offer Submission

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show **the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.**

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.

(b) For purposes of paragraph (b)(i)(1)(a) of this clause, providing any information specifically requested by an agency or Congress is permitted at any time.

(e) Penalties. Any person who makes an expenditure prohibited under paragraph (b) of this clause shall be subject to civil penalties as provided for by 31 U.S.C. 1352. An imposition of a civil penalty does not prevent the Government from seeking any other remedy that may be applicable.

(f) Cost Allowability. Nothing in this clause is to be interpreted to make allowable or reasonable any costs which would be unallowable or unreasonable in accordance with Part 31 of the Federal Acquisition Regulation (FAR), or OMB Circulars dealing with cost allowability for recipients of assistance agreements. - (a) All maintenance laborers and mechanics employed under this Contract in the operation of the project(s) shall be paid unconditionally and not less often than semi-monthly, and without subsequent deduction (except as otherwise provided by law or regulations), the full amount of wages due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Housing and Urban Development which is attached hereto and made a part hereof. Such laborers and mechanics shall be paid the appropriate wage rate on the wage determination for the classification of work actually performed, without regard to skill. Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein; provided, that the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination, including any additional classifications and wage rates approved by HUD under subparagraph 1(b), shall be posted at all times by the Contractor and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.
- (b) (i) Any class of laborers or mechanics which is not listed in the wage determination and which is to be employed under the Contract shall be classified in conformance with the wage determination. HUD shall approve an additional classification and wage rate only when the following criteria have been met:
 - (1) The work to be performed by the classification required is not performed by a classification in the wage determination;
 - (2) The classification is utilized in the area by the industry; and
 - (3) The proposed wage rate bears a reasonable relationship to the wage rates contained in the wage determination.
- (ii) The wage rate determined pursuant to this paragraph shall be paid to all workers performing work

in the classification under this Contract from the first day on which work is performed in the classification.

2. Withholding of funds

The Contracting Officer, upon his/her own action or upon request of HUD, shall withhold or cause to be withheld from the Contractor under this Contract or any other contract subject to HUD-determined wage rates, with the same prime Contractor, so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics employed by the Contractor or any subcontractor the full amount of wages required by this clause. In the event of failure to pay any laborer or mechanic employed under this Contract all or part of the wages required under this Contract, the Contracting Officer or HUD may, after written notice to the Contractor, take such action as may be necessary to cause the suspension of any further payment or advance until such violations have ceased. The Public Housing Agency or HUD may, after written notice to the Contractor, disburse such amounts withheld for and on account of the Contractor or subcontractor to the respective employees to whom they are due.

3. Records

- (a) The Contractor and each subcontractor shall make and maintain for three (3) years from the completion of the work records containing the following for each laborer and mechanic:

 - (vii) Any deductions made; and
 - (viii) Actual wages paid.
- (b) The Contractor and each subcontractor shall make the records required under paragraph 3(a) available for inspection, copying, or transcription by authorized representatives of HUD or the HA and shall permit such representatives to interview employees during working hours on the job. If the Contractor or any subcontractor fails to make the required records available, HUD or its designee may, after written notice to the Contractor, take such action as may be necessary to cause the suspension of any further payment, advance or guarantee of funds.

4. Apprentices and Trainees

- (a) Apprentices and trainees will be permitted to work at less than the predetermined rate for the work they perform when they are employed pursuant to and individually registered in:

Apprenticeship Training, Employer and Labor Services (OATELS), or with a state apprenticeship agency recognized by OATELS, or if a person is employed in his/her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by OATELS or a state apprenticeship agency (where appropriate) to be eligible for probationary employment as an apprentice;

- (ii) A trainee program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, ETA; or
 - (iii) A training/trainee program that has received prior approval by HUD.
- (b) Each apprentice or trainee must be paid at not less than the rate specified in the registered or approved program for the apprentice's/trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Apprentices and trainees shall be paid fringe benefits in accordance with the provisions of the registered or approved program. If the program does not specify fringe benefits, apprentices/trainees must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification.
- (c) The allowable ratio of apprentices or trainees to journeyman on the job site in any craft classification shall not be greater than the ratio permitted to the employer as to the entire work force under the approved program.
- (d) Any worker employed at an apprentice or trainee wage rate who is not registered in an approved program, and any apprentice or trainee performing work on the job site in excess of the ratio permitted under the approved program, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed.
- (e) In the event OATELS, a state apprenticeship agency recognized by OATELS or ETA, or HUD, withdraws approval of an apprenticeship or trainee program, the employer will no longer be permitted to utilize apprentices/trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

The request shall set

The written decision on reconsideration shall contain instructions that any appeal of the decision shall be addressed to the Regional Labor Relations Officer by letter postmarked within 30 calendar days after the date of the decision. In the event that the Regional Labor Relations Officer was the deciding official on reconsideration, the appeal shall be directed to the Director, Office of Labor Relations (HUD). Any appeal must set forth the aspects of the decision that are in dispute and the reasons, including any affirmative defenses, with respect to the violations.

Any appeal to the Director must set forth the aspects of the prior decision(s) that are in dispute and the reasons. The decision of the Director, Office of Labor Relations, shall be final.
- (b) Disputes arising out of the labor standards provisions of paragraph 6 shall not be subject to paragraph 5(a) of this form HUD-5370C. Section 3 Guidelines and Forms

Board Resolution No. 4062
and Program Plan for Compliance with Requirements of Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) (Section 3) Part 135 – Economic Opportunities for Low- and Very Low-Income Persons.

Purpose:

The purpose of Section 3 of the Housing and Urban Development of 1968 (12 U.S.C. 1701u) (Section 3) is to ensure that employment and other economic and business opportunities generated by HUD Financial Assistance shall be directed to San Antonio Housing Authority (SAHA) Residents and other low- and very low-income persons, particularly those who are recipients of government housing assistance and to business concerns which provide economic opportunities to SAHA Residents and other low- and very low-income persons.

General Policy Statement:

It is the declared policy of the San Antonio Housing Authority (SAHA) that Equal Employment Opportunities shall be provided for every employee and applicant for employment regardless of race, color, religion, sex, national origin, handicap, or economic status; and, that through the award of contracts to contractors, vendors, and suppliers, that employment and business opportunities be created for residents of SAHA properties and other qualified low- and very low income persons residing within the geographical boundaries of City of San Antonio. This policy does not end with the mere prohibition of discriminatory practices by programs receiving HUD financial assistance or contractors, subcontractors, and vendors contracting with SAHA. SAHA recognizes its obligation as well as the obligation of potential contractors, subcontractors, to develop practical steps to achieve the goal of providing meaningful, full-time permanent employment opportunities, as well as business opportunities to SAHA Residents and other Section 3 eligible persons.

Such obligation shall be demonstrated not merely through inclusion of positive or “best effort” steps, but shall result in a reasonable level of success in the recruitment, employment, and utilization of SAHA Residents and other Section 3 eligible persons and businesses in the workforce and subcontracting of work resulting out of the expenditure of HUD funding. The SAHA’s Contracting Officer, through official resolution, shall examine and consider a contractor/vendor’s success in providing employment and business opportunities to SAHA Residents prior to acting on any proposed contract award.

Numerical Goals for Section 3 Compliance:

Consistent with 24 CFR 85.36 (c)(2), Section 3 is a federal statute that expressly encourages, to the maximum extent

feasible. To that end, SAHA has adopted the following numerical goals for meeting the greatest extent feasible requirement to provide economic opportunities to section 3 Residents and Section 3 Business Concerns in the procurement and awarding of modernization-funded construction, maintenance and professional service contracts:

NUMERICAL GOALS FOR SECTION 3 COMPLIANCE

Areas of Focus (Applies to all contracts)	Numerical Goal
Contractor and Sub-contractor Hiring (full-time, part-time, temporary, Seasonal) applies to construction and maintenance service contracts.	10%
Contract Awards (applies to construction contracts).	10%
All other Contract Awards (i.e., services, and professional services).	3%
These goals apply to all Contractors as well as any tier Sub-contractor	

Recipients and Contractors may demonstrate compliance with the “greatest extent feasible” requirement of Section 3 by meeting the numerical goals set forth in this Section 3 Program for providing training, employment, and contracting opportunities to Section 3 Residents and Section Business Concerns. Efforts to employ Section 3 Residents to the greatest extent feasible should be made at all job levels.

SAHA, in its own operations, shall endeavor to achieve the goals of Section 3 and shall provide equal responsibility to its contractors, vendors and suppliers to implement progressive efforts to also attain compliance. In doing so, SAHA shall evaluate contractors’ compliance towards achieving the goals of Section 3 and ensure a system of leveling sanctions against contractor, vendor, or supplier for non-compliance.

SAN ANTONIO HOUSING AUTHORITY
Procurement and Contract Administration

The numerical goals established above represent minimum numerical targets and all prospective contractors shall be advised and encouraged to seek Section 3 participation to the greatest extent feasible. Any contractor that meets the minimum numerical goals set forth above will be considered to have complied with the Section 3 requirements. Any contractor that does not meet the numerical goals set forth above has the burden of demonstrating why it was not feasible to meet the numerical goals. In the event no competing contractors were successful in meeting the minimum goals set forth above, SAHA shall consider documentation provided by the contractor evidencing impediments encountered despite actions taken to comply with the Section 3 requirements. Such evidence shall be subject to the satisfaction of the Authority.

All contractors submitting bids/proposals to the Housing Authority shall be required to complete certifications, as appropriate, as acknowledgment of the Section 3 contracting and employment provisions as required by this selection. Such certifications shall be supported with adequate evidence to support representations made. The certifications required to be submitted with the bid/proposal consist of the following:

- h. Certification for business concerns seeking Section 3 preference.
- e. Contractor certification of efforts to fully comply with

Employment and training provisions of Section 3.

Prior to the award of any contract, the contractor shall enter into negotiations with SAHA for the purpose of incorporating into the contract a provision, to the greatest extent possible, hiring of Public Housing residents or other Section 3 residents to be trained or employed on the contract. Such resulting provision shall obligate the contractor toward the greatest extent possible, achieving the numerical goals listed above and shall be based on a detailed workforce analysis to be compiled by the contractor and submitted to the Authority prior to award of contract.
