ADDENDUM #2

To: 1002-918-85-3135
RFP for Executive Recruiters
Date: March 16, 2010

Question 1: The scope of work states that the contractor shall include a link to the SAHA website for capturing resumes and questions. What do you mean by this? Should all advertisements include a reference back to the SAHA site or did you have something else in mind?

Answer 1: The Contractor would have a link on the SAHA website that would direct any resumes or questions about these positions to the Contractor. This would allow anyone accessing the SAHA website to apply for these positions by sending the resumes directly to the Contractor from the SAHA website.

Question 2: How should our response be presented? If we e-mail it to you, is an Adobe Acrobat file acceptable?

Answer 2: As stated in the RFQ, responses may be had delivered, mailed via USPS, faxed, or e-mailed.
