Procurement Department

ADDENDUM # 1

To: 1005-925-35-3211

RFQ for: Environmental Engineering Services

The following items were presented for clarification at the pre-submittal meeting:

Question 1. Is SAHA going to award a primary and a secondary again?

Answer 1. Our intention is to establish a pool of firms. These may be full service firms, teams or single purpose firms. Each proposal will be evaluated on its own merits and as in all cases SAHA seeks the "Best Value" for its business needs.

The following questions have been received:

Question 2: Under Tab 3 Profile of Firm Form: question 6 asks to identify in a list, the project manager and other supervisory personal that will work on the project and to include resumes. This same request is also asked in Tab 4 section 5.2.4.3 Management and 5.2.4.4 Staffing Which Tab should we include this information in Tab 3 or Tab 4?

Answer 2: Place the resumes under Tab 4.

Question 3: Under Tab 4 section 5.2.4.3 Management: asks for licensing and certificates. The same request is also asked in Tab 9 Other Information. Which Tab should we include this information in Tab 4 or Tab 9?

Answer 3: Licenses and Certifications for individual staff members are placed under Tab 4, Licenses and Certifications for the Firm/Company are placed under Tab 9.

Question 4: In section 3.0 Scope of Proposal 3.4.2 Geo-Technical and Materials Testing. Are these services similar or the same as the 3.0 Scope of Proposal in the RFQ General Engineering Services 005-925-3215, 3.1.4 Geological and 3.1.8 Materials Testing?

Answer 4: The Geo-Technical Services & Testing for this RFP are limited to environmental issues only. The services under the General Engineering RFP exclude environmental issues
