RFP for Legal Services – Real Estate
Date: July 27, 2010

Question 1: Could you please clarify the meaning of Firm Fixed hourly rate, per the Proposer’s Statement on Page 39? The instructions state to “list the firm fixed hourly rate for each individual listed below that might be assigned to a SAHA project”. Are we to understand that means there will be one rate for each category of attorney, basically a blended or average rate for every partner, every associate etc. or can there be a range of rates?

Answer 1: The firm fixed hourly fee is the amount you would charge SAHA for a partner, associate, etc. to perform work for SAHA under this RFP. There will only be one rate for each category of attorney, etc. Do not enter a range of rates.
