RFQ for Improvements to Valero Little League Field

Date: August 10, 2010

Question 1: Section 13.5 shows to "Remove all vegetation from infield and outfield as required: I see where it further calls for us to replace the infield with sod and the clay/diamond pro blend but I don't see anything on what you are wanting for the outfield?"

Answer 1: The outfield only needs vegetation removed and clay/sand installed to widen the infield as per the diagram.

Question 2: Does the field have an irrigation system in place for watering new grass?

Answer 2: There is an irrigation system but is in inoperable at this time. There is access to water for the field.

Question 3: Will there be grass where the coach's boxes are located?

Answer 3: No, coach's boxes will be clay/sand.

Question 4: Will we need to supply fencing for the backstop and both sides of the field?

Answer 4: No, there are fences in place.
