ADDENDUM # 1

To: 1010-910-99-3364

RFQ for: Clean, Paint, and Minor Repair Services

The following question has been asked:

Question 1. When are the units going to be available for walk through so we may assess the conditions of the units?

Answer 1. These services are considered a small threshold purchases. There will be no pre-bid meeting to show these units. The scope of work details what needs to be done in each unit.

Please Note: As per **Section 13.20** of this RFQ, SAHA requires that all make ready Contractors must be EPA certified. Contractors performing renovation, repair and painting projects that disturb lead-based paint in homes, child care facilities, and schools built before 1978 must be certified by EPA and must follow specific work practices to prevent lead contamination. For more information regarding EPA Certification, you can go to the EPA website at www.epa.gov/lead
