

ADDENDUM #4

To: RFQ # 1105-961-18-3555

For: Clean, Strip and Dark Stain all Interior Hall Floors at Parkview Apartments

Date: November 1, 2011

Question 1: I have a question about the floor cracks...are we to do any work to them?

Answer 1: No.

Question 2: Are we to move the furniture and vending machines in the hallways and common areas? If so where do we put them?

Answer 2: No.

Question 3: What is currently on the concrete, is it pebble stone finish?

Answer 3: Yes

Question 4: Is there a preference in acid base, acetone or water base applications? Is there a specification for product manufacturer?

Answer 4: Just as long as it is not harmful to the residents and dries fast.

Question 5: On description it states to clean, strip, and stain. Please clarify where clean and waxing is to be performed.

Answer 5: First clean all debris and dirt then stain with a medium color then wax.
