Dear Ms. Castr-Ramirez:

Subject: Maintenance Wage Rate Determination-Fiscal Year 2011

Enclosed is Form HUD-52158, Maintenance Wage Rate Determination, which lists the schedule of prevailing maintenance wage rates for maintenance workers employed by the Housing Authority or by maintenance contractor(s) in the operation of Housing Authority developments. This schedule has been established pursuant to Section 12(a) of the United States Housing Act of 1937, as amended, and is effective for a one-year period beginning on the date shown.

The Housing Authority and its contractors must pay to maintenance workers no less than the wage rate(s) indicated for the type of work they actually perform. The current Form HUD-52158 must be posted at an appropriate site(s) readily accessible to all maintenance employees.

The Housing Authority must maintain appropriate records (payrolls, work orders, job descriptions, training program materials and apprentice/trainee registrations, and any other data related to the employment and utilization of maintenance laborers and mechanics) which must be preserved for no less than three years, or until resolution of any dispute. Employers under contract to the Housing Authority to provide maintenance work must submit to the Housing Authority their original employment records as described above.

Housing Authorities not satisfied with this determination may still submit documentation to this office in accordance with the new policies and procedures previously provided to you. If you have any questions, please contact me at 210-475-6818.

Sincerely,

A handwritten signature in dark ink, appearing to read "Karen R. Clark".
