**For: Mole Remediation at 9827 Valley Cabin**

**Date: October 28, 2011**

**The deadline has been extended to November 4, 2011 at 11:00AM.**

**Please note the following change.**

**Refer to Section 15.6**

**Delete this paragraph in its entirety:**

**15.6 Responses shall include all cost to abate all asbestos contaminated building materials from these units, as per the attached asbestos abatement plan and the estimated timeframe to complete the asbestos abatement and cleanup.**

**Replace with the following:**

**15.6 Responses shall include all cost to remediate all mold contaminated building materials from these units, as per the attached mold remediation plan and the estimated timeframe to complete the mold remediation and cleanup.**

Question 1: Will there be site visits for the mold remediation requests at 9027 Valley Cabin and 1004 Alametos?

Answer 1: A site visit is scheduled for November 1, 2011 at 10:30 am beginning at 1004 Alametos, San Antonio, Texas 78201, and at 11:30 am at 9207 Valley Cabin, San Antonio Texas 78250.

Question 2: Was wondering if you had any pictures you would be able to send me of the interior of the houses since we were not physically able to be there right away to view them? Maybe a diagram with areas highlighted that need to be worked on if pictures were not available?

Answer 2: Pictures are not available, a walk through inspection has been scheduled.
