## ADDENDUM # 1

To: File 1905-910-51-4923

QQ for: Bulk Waste Enclosure for Dietrich Road Apartments

---

The following questions are asked:

**Question 1:** Will SAHA require contractor to demo the existing slab along with the existing enclosure?

**Answer 1:** No, we have a contractor taking care of all cement work.

**Question 2:** Will SAHA require the contractor to build a new slab for the new dumpster enclosure, if so, what are the specs for this?

**Answer 2:** No, we have a contractor taking care of all cement work.

**Question 3:** Will SAHA require the contractor to build a new sidewalk leading to the dumpster enclosure? If so, what are the specs? New sidewalk is shown in the rough drawing but no other info for the sidewalk/dimensions.

**Answer 3:** No, we have a contractor taking care of all cement work.

**Question 4:** Before beginning work, is SAHA contacting the dumpster company to move the dumpsters from this area while the work is ongoing?

**Answer 4:** Yes. We will need a 2 week notice from date work will start in order to get the dumpsters moved.

**Question 5:** Is SAHA contacting the residences about the work and will the contractor be required any parking spaces?

**Answer 5:** The property management will set a meeting with contractor to go over the scope of work one last time and all details needed to facilitate the completion of the project to include parking for the contractor. Property will notify all residents of a start date for project.

**Question 6:** No dimensions are shown on the rough drawing, is the Contractor responsible obtaining the dimensions from the field during the layout process and will SAHA need to approve the layout?

**Answer 6:** The dimensions are in the Scope of work and the diagram has dimensions also. The photograph was for visual purposes only. All vendors are encouraged and welcomed to visit the site for measuring and visual purposes.
